About Rehoboth Foodie/Touch of Italy Foundation

At this 3rd Annual CARNEVALE! event – and other fundraisers throughout the year – Cape Region food industry professionals team up to help Delaware high schoolers seek a career in the food industry. The RehobothFoodie.com/ Touch of Italy Culinary Scholarship Fund provides tuition assistance to deserving culinary students, including qualifying high school graduates who successfully complete the Delaware Restaurant Association's ProStart curriculum. Those students are eligible for up to \$5,000 in funds to help them continue their education at full-time professional culinary schools. The fund has already sent deserving Delaware high school graduates to New York's Culinary Institute of America, Johnson & Wales University in Providence, RI and North Carolina, and The Restaurant School at Walnut Hill College in Philadelphia. Many of our award-winning Cape Region executive chefs and restaurant owners graduated from these very same institutions.
